

## Submission Guidelines - Request for Exhibition Proposals

Due August 1, 2026 | [Apply Now](#)

### About Sand Point Arts & Cultural Exchange (SPACE):

Sand Point Arts and Cultural Exchange (SPACE) SPACE has a mission to connect and enrich our community in Magnuson Park, NE Seattle, and beyond, through art, music, and culture. SPACE operates SPACE 101.1FM, and Magnuson Park Gallery.

### About the Request for Exhibition Proposals:

Each year, Magnuson Park Gallery hosts four to six exhibitions, often partnering with local collectives and organizations to bring diverse voices to our space. For the 2027 season, we are dedicated to amplifying emerging, unrepresented, and underrepresented artists, curators, and collectives.

**Our priority for this upcoming cycle is group exhibitions highlighting three or more artists.** If you are applying as a group, please name one person as the primary contact for the application process.

All submissions will be reviewed by our Gallery Manager, volunteers, and Board of Directors.

**Submission Deadline: August 1, 2026 at midnight.**

### Proposal Requirements:

- **Artist Statement(s)** - *a brief written description of an artist's work, practice, and motivation. It provides insight into the artist's creative process, themes, and influences, helping audiences and curators understand the context and intent behind the artwork.*
- **Curatorial Statement:** *A curatorial statement explains why an exhibition exists, and that means the idea behind it rather than the logistics. The questions it has to answer are the ones a viewer carries into the room: what idea holds the works together, what question does the show ask, and what should someone understand before they walk in?*
- **Exhibition Proposal** - *Tell us about the logistics, the artists, and how you envision the exhibition coming together. If this is a group show proposal, please confirm that you have already communicated with the artists and that the proposed artwork is available for 2027.*

- **Artist CV(s) or resume(s)** - *a comprehensive document that details an artist's professional background, achievements, and qualifications.*
- **Artwork Images** - *examples of the work you are referencing in your proposal. Images are assumed to be representative of the artwork.*

### **Exhibition Rules & Guidelines:**

- We can accept proposals that include 2D and 3D visual media. Artwork must be hang ready (framed or equivalent preparation, with hanging apparatus installed), and artist must be available to drop off/pick their work in person at the agreed upon dates.
- Applications that include time-based media should contact gallery manager for approval.
- Artwork should be for sale and priced at a \$100 (retail) minimum. The gallery will handle payment processing and provide artists with a check following the exhibition. The price you list in your application must take into account the gallery's 30% commission fee.
- The gallery cannot accept deliveries or mail any artwork. If the location of the gallery prohibits your involvement in the exhibition, please email the Gallery Manager to discuss exceptions
- Exceptions for deadlines, specifications or rules will only be made with email correspondence with the Gallery Manager. Submissions that do not meet the required deadlines, specifications or rules without proper communication will be automatically ineligible.

If you need help with the submission process, or any of the above stipulations create a barrier for your ability to submit - please reach out to the gallery for assistance  
maddy@spaceatmagnuson.org.
